

Daily Quiet Time

As we draw close to the musical, we want to begin praying and focusing on what we have learned during the musical and how God can use it in our lives and others.

2 WEEKS UNTIL MUSICAL: How do you keep a fire going? You have to keep it fueled and tend to it. If you ignore a fire that is in a fireplace or furnace, it will eventually go out. If we think our “spiritual fire” doesn’t need tending to, we are mistaken. In ancient Israel, the priests were instructed not to let the fire on the altar go out (Lev. 6:9,12-13). This required a lot of work. It would have grown cold if they failed to keep it supplied with fuel. So how do we keep the fire in our soul alive and burning? We seek God each day in prayer and scripture. We worship our Lord in all we do and give Him the glory for our blessings. We share His amazing Good News with our friends and remind ourselves of what He has done for us. What are you doing to keep your soul on fire for Jesus?

“Never let the fire in your heart go out. Keep it alive. Serve the Lord.”
