

August 30th | Joseph Loved His Brothers

Bible Story

Loving and caring about others means putting their needs ahead of your own. Sometimes that means instead of doing something you want to do, you choose to help your sister with her homework or help your mom fold laundry. It may not be how you prefer to spend your time, but you choose to think of your family members more than yourself.

Life Point

Family members can love and care for one another.

Huddle Up

Kindness popsicle sticks: Each student will receive 7 popsicle sticks. They can write an act of kindness they can complete for their family this week. Each day, they can have someone in their family pick a stick and they will complete that task to serve their family.

Closing Activity

"Mother May I" Game
