

# NAMES

A SERIES ON THE CHARACTER OF GOD

# God's Names

God's name is more than identification— It's a description of his character. In this four-week study on a few of the many names God is called throughout Scripture, we learn who God is and what that means for us today. God is our provider, our shepherd, a banner, and our great healer.

# Week One

God is more than just our Lord and Savior. The bible teaches that He is also our great provider. He provides for our physical, emotional, and most importantly our spiritual needs. In this first week of the new series, we look at how God provides for us. He doesn't just simply give us what we want but he knows what we need. Because he created us, he knows how to provide for us.

## CHALLENGE

God as our provider does not mean that he is just a magic genie in a bottle doing all that we want. Rather, because he knows us and created us, he knows what we need. This week practice asking for God's desires to become your desires. Thank God for how he has provided for you and remember his provision as it helps keep our hearts and minds focused on his heart rather than our sinfulness.

## QUESTIONS

1. How has God provided for you in the past? Why was it significant to you?
2. Do you struggle to trust God to provide? Why or why not?
3. In what areas are you asking God to provide in your life?
4. How can you practice asking for God's desire and his way of providing?
