### READ Psalm 149:3

"Let them praise His name with the dance; Let them sing praises to Him with the timbrel and harp."

This song is an exciting song that reminds of us our purpose to PRAISE GOD in all things and with joy. The angels sing His praises and one day we will sing his praises forever and ever. "Holy, holy, holy is the Lord God almighty." We will give Him endless praise and worship for He is WORTHY.

Worship is more than singing a song. I can testify firsthand that when you pray to God through a bad situation, it gets turned around. God works all things together for our good. Sometimes you don't feel like praising God, and that doesn't just mean singing Him a song, but just shifting your focus from your situation to Him, and giving Him praise and glory. Praise Him first, and He will bring the breakthrough and do the work in your life.

When you realize who God is, and what He has done for us, you will praise Him with all that you have in joy and excitement. The Bible tells us to dance before the Lord and this song helps us do that. Praise Him with all that you are. When you are going through a bad situation or just need to refocus on the Lord, then stop and praise Him and dance before Him. Remind yourself of who He is and give Him endless praise.

### PRAY

Lord, help me to keep my focus on You and give You endless praise. I want to give You all the glory with my mind, body and soul. You are worthy. In Jesus' Name, Amen.

"Praise the Lord. How good it is to sing  
praises to our God."  
Psalm 147:1
