

## UNIT VERSE for KIDS MIN. at CFBC

“Love one another with brotherly affection. Outdo one another in showing honor.”  
Romans 12:10

### **Devotional Moment**

**READ Romans 12:10 above**

What does it mean to outdo someone in showing honor? It means that you're not doing it to receive any glory but you are doing it in respect for the other person. We are to love our brother and our neighbor -- even our enemies. That is really hard. Loving the people that are mean to you is difficult.

This week, practice showing others honor and respect. Make it a goal to do random acts of kindness whenever you can and no matter what your other circumstances. You can't change the way others act or react, but you can control how you act and react, so LOVE one another and LIFT one another up. BE KIND. Ask for strength from the Lord to help you show love and kindness to others. Look at Jesus and see the love He gave to everyone. He came down to earth because He loved us all so much and He didn't want anyone to be separated from God. WoW. What love!

### PRAY

Lord, help to love all my brothers and sisters, friends and family and even my enemies. I need You to help me do this and to help me be kind. I can do all things with Your strength. In Jesus' Name, Amen.
