

Is Anyone Like You (Yahweh) [Lyrics, 82 bpm, 6/8]

[Default Arrangement]

Verse 1:

You've been my company
You've been my peace
You've gone before me, guided my feet
Mountains and valleys and plains in between
You never left me
You never left me

Verse 2

You are my fortress
When I'm in the fight
You are my shelter
The place that I hide
Your love has kept me I'm safe in the night
You've never left me
You've never left me

Chorus 1

Yahweh Yahweh yahweh
How I love your sweet name
Let it rise, Let it rise from my soul
Let it rise Let it rise from my soul

You are Jehovah
The highest of names
Seated in glory
And here in this place
If everything bows to you I'll do the same
You are worthy
You are worthy

How I love your sweet name
Let it rise, Let it rise from my soul
Let it rise Let it rise from my soul

Who else could pay off my criminal debt?
Who else could draw my soul up from the pit?
Who could forgive me again and again?

Jesus you took on the fullness of sin
Gave up your life so that mine could begin
I'm justified, purified, clean from within
Is anyone like you?
Is anyone like you?

I've searched far and wide
And I cannot find
Anyone like you
